Hello Team,

Spread the work to your staff. Vista ACO 3291 is NOT doing any travel. Also, we are starting our closeout and collecting equipment due to lack of work. This is nothing against anyone, this is just the process as we come to an end. It has been a pleasure to work with each and everyone of you. As your NTE date approaches and more lack of work we are separating staff so that we are done by 10/31/20. So if most of your staff is not working you can either start collecting their devices/equipment or have them come to the ACO to return equipment between the hours of 8am-8pm. If you have any questions feel free to reach out to the Hotline.

Also, I sent information more than once on how to receive your per diem pay, if you keep sending your receipts to me, don't expect to get paid because they don't come to me.

The management staff will be working Mon-Fri from the hours of 7am-5pm for the next couple of weeks.
